July 2009

We meet on the third MONDAY of January, April, July, and October - at 7:30pm

**OUR NEXT MEETING:** Will be held on MONDAY July 20th at 7:30pm in the basement of the Haddon Heights Library (disabled accessible). Our presenter will be Jeffrey Norcross, director of the South Jersey Museum of American History, located in Glassboro, NJ. Jeff will paint a broad picture of pre-Columbian Native American life from the Paleo-Indian Period to the Late Woodland Period, when European explorers first weighed anchor on what was for them, the shores of a New World. The lecture will include commentary on Pre-Columbian archeology and the speaker's personal experience in the field, shedding light on the Native American society before its contact with the Western world. Artifacts will be on hand to be viewed by members. Also, Norcross will describe the real step-by-step process of archeological study, demythologizing the field from the popular misconceptions that came along with Indiana Jones' films. Learn the real story of how Native Americans lived before the arrival of European settlers. We look forward to seeing you. Bring a Friend !!!!!

**PRESIDENT'S MESSAGE-** This year's Independence Day celebration went smoothly, thanks to the participation of Ken Funkhouser, driving his 1929 Ford Model A with our Historical Society signage; Mark Zimmerman, driving his 1930 Ford Model A sedan; Anne McAdams, photographer; and Jodi Clark, Elena Hill, and Joan Rossler, flyer distributors. Thanks also to Fred Missimer for producing the flyer that promoted our fund-raising merchandise and invited folks to come and listen to Jeffrey Norcross, discuss how Native Americans lived before the arrival of European settlers; at our July 20th meeting.

Note that our July meeting each year is when we put together the slate of officer candidates for the following year, to be voted on by the Society at our October organization meeting. Nominations from the floor are welcome and encouraged. To volunteer for ANY position on our Board or to offer your services as an Assistant to the Board, please contact Bob Hunter or Peter Hill on the nominating committee, through the Library at 856-547-7132 or by emailing them ( bob@haddonheightslibrary.com or prhill1804@aol.com ). We are currently looking for a volunteer to be our Webmaster to help coordinate the tasks involved with keeping the website current. Additionally, we need a volunteer to be the official photographer at our meetings and events. As a way of encouraging more participation by all Society members, the Board is recommending we amend our Constitution and By-Laws to include terms for officers. The actual changes are covered elsewhere in this newsletter and may be revised slightly by the Board before being presented to the Society for final approval. As information for those of you linked to the Internet, the Haddon
